

## Would you like to join Milngavie in Bloom?

### Application Form

Membership is free and open to all who live in and around Milngavie and who support our aims to keep the town 'green and clean'. You might like to become a Friend and receive our regular newsletter. If you have some free time, are interested in Gardening or Clean Sweep please join us. You do not need to know anything about gardening as you will be given tools and support and can try a taster session. You might never have collected litter before, but litter pickers and bags are provided. If you only want to come occasionally or litter pick in your own time that is welcomed.

We also welcome those who have other skills, for example, artists, photographers, fundraisers, committee skills.
